AE10 blank sailing announcement – Europe Services

Dear Customer,

In connection with the upcoming Chinese New Year period, Maersk has endeavoured to balance our network to match reduced demand for the next several weeks.

There will be a blanking of the AE10 service in week 7. This is an additional blank sailing on top of the already communicated Chinese New Year blank sailings. We aim to minimize the impact to our customers by securing alternative routings wherever possible.

For further questions, we encourage you to liaise with your local Maersk customer service representative or check maersk.com.
