Implementation of congestion surcharge for all barge traffic to and from Benelux ports

Dear MATHIEU,

Please be advised that due to the congestion in the **Benelux** ports we need to advise that we will be charging a **35 Euro/box** congestion surcharge for all barge transports to/from the port of Rotterdam and Antwerp.

For non FMC trades the charge will be valid as of 26/04/2021 and this till further notice. For FMC (USA) related trades the charge will be valid as of 13/05/2021 and this till further notice.

We will keep you informed about the duration of this surcharge and the development of the situation in Rotterdam and Antwerp.

If you have any questions or comments, please contact your local [Hapag-Lloyd office](#) or send me an [email](#).
